

Asking for Information (Map, Sim Card)

情報を求める (地図、SIM カード)

Section 1: Dialogue (セクション 1 : 対話)

Please read the following conversation between Satoshi and the concierge attendant.

Satoshi: Hello? Is this the concierge?

Concierge Attendant: Good day sir! You got that right. How can I help you?

Satoshi: I'd like to be informed regarding communication systems here in this country.

Concierge Attendant: May we know what you need?

Satoshi: Does my cellphone number work in this country?

Concierge Attendant: It can work sir, depending on your network.

Satoshi: Why is that?

Concierge Attendant: Because your network's signal might not reach this country. But I advise you to try getting a new SIM card instead.

Satoshi: Will that help?

Concierge Attendant: Definitely. It will also be cheaper for you.

Satoshi: Where can I buy a new SIM card? And a map, I think I would need one when I stroll around the city.

Concierge Attendant: SIM cards and maps are available in any outlet stores.

Satoshi: Good to know. Thank you!
